## ILLUMINATIONS™

Stunning full color photography can now be showcased in metal to create enduring memorial tributes.

### NICHE FRONTS

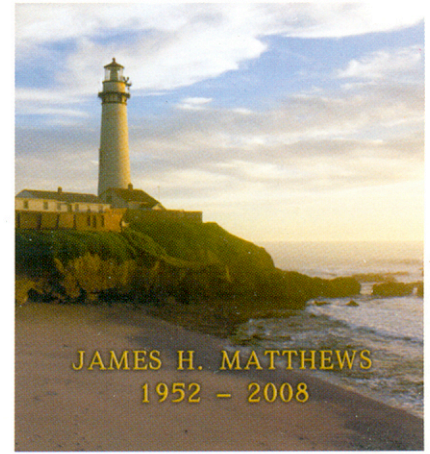

Custom niche fronts can be made from your own family portraits, favorite photographs of special moments, vacations, hobbies...or a collage of photographs that are important to you and your loved ones. You can also choose from our standard backdrops of professional photographs and customize by adding meaningful epitaphs.

Illuminations can hold and reproduce extremely small type so special wording, tributes, poems, lyrics, can be incorporated as part of the custom niche front.

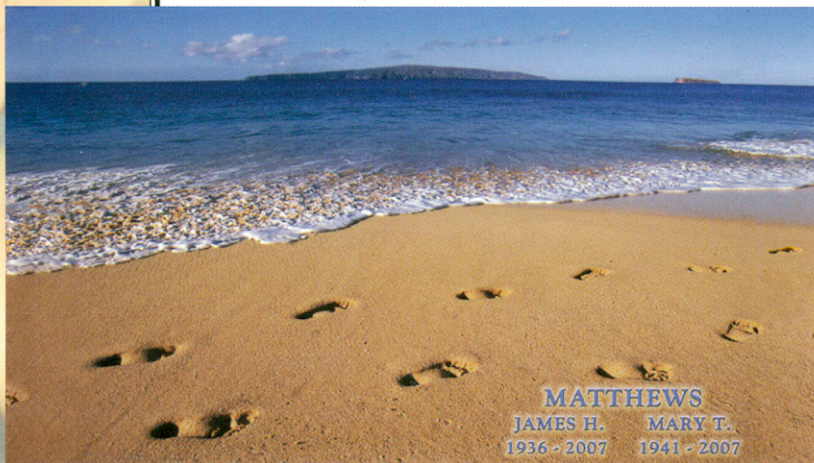

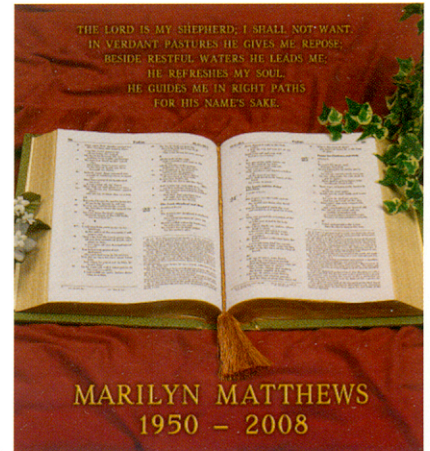

*Your personal photographs can be used to create a beautiful custom niche front.*

*Open Bible with favorite passage*

*Lighthouse*

*Beach Scene companion niche front*

### ILLUMINATIONS™ FEATURES:

- High resolution graphics
- Cutting-edge technology that embeds a four-color image into the aluminum
- Anodized reproduction of unsurpassed durability
- Interior and exterior installations
- Abrasion and graffiti resistant
- Unparalleled UV resistance
- Will not chip, crack or peel

Illuminations is ideal for interior and exterior installations in niches and crypts.

# BACKDROPS

Pick from our large selection of professional photographs to create a backdrop for a glass-front niche. Backdrops can also be used to create custom niches.

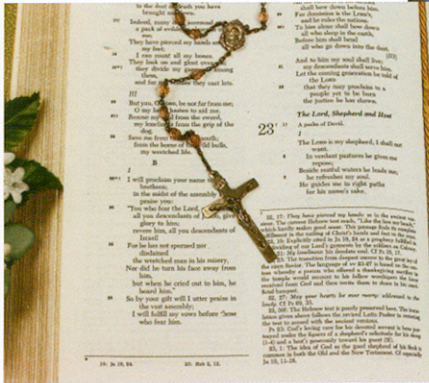

Because Illuminations photographs are individually sized, backdrops can easily be added to existing glass front niches.
